on 18.- 19.5.2024 at the Lipno lake

49. International Championship of the Czech Republic

**"Regatta for the Prize of Kolín" in RC sailing boats
F5-E, IOM**

This is the 49th year of the international competition for RC model boats, organized by the Kolín Boat Modelers Club. For the place for the venue this year we chose a really unusual place. Our effort is to provide for the competitors the best possible facilities for sports competition and a pleasant weekend by the water.

Camping, tenting, caravan and motorhome parking is possible in the area of the Yacht Club - Jestřábí 1 campsite. Accommodation in simple cabins is also possible.

For the more demanding there is also an option of accommodation in hotel apartments.

**Each competitor books his accommodation individually.
The entry fee does not include accommodation costs.**

Among the attractions is the venue itself - the Lipno lake, with its 48.7 km² area is the largest lake in Czech Republic. The location Černá v Pošumaví is known for its long sailing history and beautiful views of the lake. The historic town of Český Krumlov, the Hluboká nad Vltavou Castle and the highest castle in the area ruins of Vítkův Hrádek are worth mentioning.

For nature lovers there is the nearby Šumava National Park, which will also form the background of our race area.
